uncommon/common idiosyncrasies, attempted fisting.
under roof, would you inherit trends, sludge decor?
i won't be owned by the enviable — hail BABY hail.

insurance: hour circle.

passé — no, don't pass me by. let us be now.
living rooms reliant on lofty tomorrows.
i cannot see past modular futility, the staring ...
it's the staring, i cannot see myself in you. not even.

insurance: opaque persuasion.

i cannot see. more true, less real, reflexivity upheaves.
repetition grind: i win, you win, double fool's motion.
explicit search of that climber climbed. do not wait.
akin to porcelain on steel, splinter point grips banal.

insurance: moment freeze.

bloody high rise, winds shaking foundation — loose.
oneiric whimper, he steals causation, neverminding noose.
mucilage factory wades in anatomical clumps of nether.
a six-masted schooner ready. i don't need you.

insurance: criminal riot.

historicize marching april, anti-sons force fed wilderness.
timid ignorance told us traps, timetables, tours, tosses.
shelling violence against my ghost, washing hand to hand.
washing body, watching you wash my body of sand.

insurance: desultory bang.

cluster to surround sound, stifled in the back seat,
sinking contemplation, i cannot love again.
but in blue sun, rays concoct lies, and i believe.
i believe little, believe too much, fawn relentless.

insurance: pale instinct.

despair signals from sideline ... in a dress inertial.
she doesn't return calls. a pretty thief she's become.
or: petty daydream, a chair vacant — no, straddled.
the moon's skill, i will betray, choosing force.

insurance: dipolar discovery.

iii.

dear enemy, it's all i've ever wanted from you.
no pretense for garage encounters, laundry rooms.
cervical vineyard, pressing dipstick derangement honeyed.
red jumps duality hoops, cataloging shakes for rain.

insurance: visceral reaction.

myself outside of myself, three tongues peruse.
hesitation: under arm, knee joint, neck's curve.
blind life advocates pile words for-ever-shelf.
ask the right questions — am i your enterprise?

insurance: shell shock.

body weight shifts to suit the strange,
nursing manipulation but not pitiful.
awareness coasts the 5, windows down.
god? ill-advised. fortification screwed.

insurance: time lapse.

in retrospect, pinball hunts aren't such a good idea.
since when am i elastic, mr. ransom validation?
pillage my inverse before industrializing pigeonhole.
hallow dead minds; i am a registered dog owner.

insurance: foul gamble.

to a lake, an envelope, a cocoon, a slimed aroma.
chain or fence or tell me that stupid story again.
morning? venom, molasses, coffee breath, cryptic. oh.
lackluster approach or confidential remark swapping.

insurance: effete sycophant.

flash the ultimate disconnection; strum porno-overture.

insurance: sharp teeth.

diversion, derision; indecision kept her coming back.
ins/outs empty telepathy. empathetic generosity rolled.
